Crochet Snowman Stocking Gift Sack

Materials:
– Chunky White Yarn
– Worsted weight yarn in green (or any colour you want for the beanie), and orange for the nose. A small strand of black yarn is also needed for the mouth.
– Size H crochet hook
– Tapestry needle
– 1/8 inch ribbon (optional)
– Large snowflake button (or any button you want)
– Two 1/2 inch black buttons for the eyes

Sack Pattern;
Magic Ring, Chain 1 and make 10 SC in ring, join, pull tight, chain 1
Round 2: 2 SC in each stitch around, join, chain 1 (20 SC)
Round 3: SC in each stitch around, join, chain 1 (20 SC)
Round 4: 2 SC in first stitch, SC in next, repeat around, join, chain 1 (30 SC)
Round 5: SC in each stitch around, join, chain 1 (30 SC)
Round 6: 2 SC in first stitch, SC in next 2, repeat around, join, chain 1 (40 SC)
Round 7-15: SC in each stitch around, join, chain 1 (40 SC)
Attach green worsted weight yarn (or whatever you colour you want the beanie to be)
Round 16: SC in each stitch around, join, chain 1
Round 17-19: Front Post SC, Back Post SC, repeat around, join, chain 1 (this creates the ribbed rim of the hat)
Round 20-25: SC in each stitch around, join, fasten off and weave in ends. (40 SC)

With a thin strand of ribbon (I used 1/8 inch wide) OR a strand of yarn, attach yarn pom-pom to one end. With tapestry needle, weave strand over and under the last SC stitches made in round 25. Attach a large snowflake button to the other end of your strand of ribbon. When pulling tight, only pull on the side of the strand with the snowflake. This allows the pom pom to sit on to of the hat when top of sack is closed!

Snowman Nose:
with orange yarn
Chain 5, SC in second chain from hook, HDC in next 2, DC in last. *SC around the back of the DC stitch, continue to slip stitch on the bottom edge of the nose and join to point. *this part is optional.

Stitch nose to front of sack. Add button eyes and sew on a half smile mouth with black yarn and your tapestry needle.
